Zurgena is a quiet village in Almeria where you will find all utilities. You have the town hall, a doctor, pharmacist, a supermarket, a bank and several bars on the village square within walking distance of this garage.

The garage is large enough to park 2 cars. A small floor in wooden construction was also made for easy storage of everything. The garage can easily be split into 2 separate garages so you could use one yourself and rent out the other. In this way you can recoup the investment you make.
