Local Area

Mojácar, where the sun shines 320 days of the year, has much to offer for the tourist and resident, with 14 kilometres of sandy, uncluttered beaches, and a backdrop of spectacular mountains which are abundant in flora and fauna. It is known throughout Spain as the Corner of Enchantment for its unique character and micro-climate. Although only a small seaside town Mojácar offers 2 quality links golf courses and several other golf courses are only a short drive away.

There is no high-rise building to obscure the sea or the views, nor will there be; earlier edicts have ensured that this lovely area will remain as natural as possible. It is for this reason that Mojácar is known as the 'Corner of Enchantment'. Located on the south-east coast of Andalusia, and surrounded by designated areas of natural beauty, Mojácar is an ideal venue which offers solitary beaches, restaurants, trendy chiringites, beach bars, street cafés, shops, and many sporting facilities.
