PBK1950: 3 Bedroom Cortijo for Sale in Turre, Camino de La Nava, Almería

249,950€ ≈£215,494

This lovely cortijo was built just over 15 years ago but was built almost as an empty shell. The current owner has added a lot of value to it. The property has 2 stables for horses, kennels for dogs, good flat land. You are 5 minutes drive from the centre of Turre. With a front garden area for parking, a big gate that slides across could be made into an electric opening gate. There is parking for several cars, steps up to lovely terrace area with views of the Cabrera mountains, at the front there are several pens for dogs and a fenced area. Inside the house you enter into the hallway with the lounge off with its log burning stove and windows looking out to the countryside and the Cabrera mountains through the dual aspect window. The kitchen/diner has a spacious dining area leading into the fully fitted kitchen. On this floor you have 2 bedrooms, 1 en-suite and a cloakroom. Downstairs you have another bedroom en suite and a utility room. The bedroom has patio doors out to the rear garden and stables.
